

## Grace Central Station's Sunday Ministry Opportunities

### **Nursery Workers**

We are always in need of Nursery Workers for infants, one-year olds and two-year olds at both services. Nursery Workers are on a once a month rotation for the first, second, third, fourth and/or fifth Sundays.

### **Classroom Large group/Small group Leaders**

We are trying to develop a team of leaders to shepherd and teach our kids during the Sunday services at both services. We are trying to build two teams for each age/grade level and Sunday service time that can regularly throughout the year be with the kids twice a month. We currently need additional team members for:

### **9:00 Service**

Age 4 – One person  
Grades K/1 – Two people  
Grades 2/3 – Two people  
Grades 4/5 – Two people

### **10:45 Service**

Age 3 – One person  
Grades K/1 – Two people  
Grades 2/3 – Two people  
Grades 4/5 – Two people

### **Worship Leader**

This person prepares and rehearses music (CD's are provided) to be presented at the beginning of each service (or one service). This person leads children in an energetic and worshipful time of singing one to two songs, introduces puppet skits and video clips. This would be throughout the year, 15 minutes at the beginning of the service and 30 minutes during the week for preparation.

### **Set-Up Coordinator**

An hour before first service this person sets up classrooms, unlocks cabinets, sets out supplies, TV, video cart, music CD's, coin banks, handouts, attendance sheets and other forms before families and ministry workers arrive.

### **Take-Down Coordinator**

Right after second service, this person helps clean-up classrooms by putting away games, toys, props, extra papers and craft supplies; wipes down tables, and locks cabinets.

### **Greeters for Visitor's**

Warmly greets families and children, makes them feel welcome, assists visitor's with the check-in process and directs them to the appropriate classrooms.
