

Grace Central Station
DIAPER CHANGING POLICY

1. For safety reasons, only a female adult leader over 18 may change a diaper. Female adult leaders under 18 must have approval from the Nursery Coordinator that she is adequately trained in the following diaper-changing standards.
2. For safety reasons, a male leader may never change a child's diaper.
3. Diapers must be changed in the presence of another leader.
4. A child will never be left unattended on the changing table.
5. Leaders will wear latex gloves while changing diapers and dispose of them when they are through.
6. Soiled diapers will be discarded in a plastic bag and placed in the outdoor trash bin following the service. Soiled diapers are never to be left in the bathroom trash.
7. Both the leader and the child will wash and disinfect their hands after the diaper change is complete.
8. The changing pad will be wiped down with disinfectant.
